## THIS IS THE DESIGN WHERE MINIMALISM IS MORE THAN ENOUGH.

By combining traditional artisan craftsmanship with simple contemporary forms, we thrive for timeless pieces. Natural beauty of solid wood will bring a hint of warmth and emotion to your space. A space where you deserve to be surrounded with creations that give you functionality, but also comfort and quality.

With our collection of timeless design, there is no need to sacrifice anything. Functionality, elegance, design and premium quality, you can truly have it all. Here at Snegar we understand that furnishing your space has to be a wonderful experience, and we aim to provide sophisticated solutions for our customers through wood, a material that we enjoy and deal with everyday. With a material that ages gracefully, we provide sensibility, energy, and warmth to every space.

For the wellbeing of our environment, we are responsible for our forests that are a source of life. Understanding the natural process, we are devoting all our energy to handle nature with utmost care. All our products have the FSC certificate, and we take attention and pride to our natural heritage.

Our team creates designs that will satisfy any space requirements, and our products are made exquisitely by experienced craftsman together with our design team. We devote our sincerest attention to every detail, so we can fill your space with love.

An aerial photograph of a vast, dense forest covering a hillside. The trees are mostly evergreens, with some deciduous trees visible in the lower right. The lighting is soft, suggesting early morning or late afternoon, with a warm glow on the right side of the image. The word "NATURE" is centered in the middle of the image in a white, sans-serif font.

NATURE

An aerial photograph of a vast, dense forest. The trees are tightly packed, creating a textured canopy of various shades of green. The lighting is soft and diffused, suggesting a hazy or overcast day. The word "ELEGANCE" is centered in the middle of the image in a white, sans-serif, all-caps font.

## ZHANA TRIO

*Zhana*

Zhana collection consists of two high stools and a belonging table. All three pieces are available in oak or walnut wood, so that you have an opportunity to create your own ambience. It is a robust collection that doesn't lack our flawless craftsmanship and elegance. Zhana pieces radiate warmth from the wood texture, but also are contemporary looking due to materials such as metal for a finer finish. This collection provides a variety of use for a variety of spaces.

## CUBE MIRROR

# The cube

Every space needs a mirror either to fill up the space, make the space look bigger, or just to look at yourself from time to time. The Cube is a perfect combination of sleek, elegant, and clean.

Made with premium quality oak wood and marble as the mirror holder, The Cube provides elegance and simplicity for your space.

LIFE

A close-up, blurred photograph of green grass, likely taken during the golden hour of sunset or sunrise. The grass blades are long and thin, with some showing a slight yellowish tint from the warm light. The background is a soft, out-of-focus expanse of more grass, creating a sense of depth and texture. The overall mood is peaceful and nostalgic.

## FRAME

Marco

We all love to decorate our space with pictures of our family, art or posters, and our frame Marco is a perfect addition to do just that. Clean lines, warm texture that comes from walnut and oak woods, and elegant design are everything that our Marco has.

Our frame provides a new level of decoration that your space deserves and needs.

## FLOWER POTS

flos

There is no better or more natural place for your favorite plant than wood. Flos collection is a three piece flower pot set made from warm oak wood. Even though it is primarily made as a flower pot, your imagination can transfe Flos for many other uses. Flos is a perfect detail for any interior space that is lacking some warmth and ambience.

It will enrich your space with clean lines, wood texture, and impeccable craftsmanship. You can use Flos as separate pieces or together, as well as for the same purpose or something completely different.

That is the beauty of Flos!
